

**STATISTICS MAJOR**  
**B.S. Degree**  
**BIostatISTICS OPTION**

For the B.S. degree in Statistics, one hundred twenty (120) credits are required with at least thirty-one (31) credits at the 400-level. Students must earn a grade of “C” or better in MATH 140 and MATH 141. Students must earn a “C” or better in courses required for the major.

GENERAL EDUCATION

**COMMUNICATIONS (GWS) 9 cr.**

ENGL 15 or 30	3	
ENGL 202C	3	
CAS 100	3	

**QUANTIFICATION (GQ) 8 cr.**

MATH 140	4	
MATH 141	4	

**(GHA)  
HEALTH & PHYSICAL ACTIVITIES 3 cr.**

**NATURAL SCIENCES (GN) 9 cr.**

CHEM 012	3	
CHEM 014	1	
BIOL 110	4	

**HUMANITIES (GH) 6 cr.**

	3	
	3	

**SOCIAL & BEHAV. SCI. (GS) 6 cr.**

	3	
	3	

**ARTS (GA) 6 cr.**

	3	
	3	

The total credits on this page should be at least 47.

ADVISING NOTES:

In addition to the above requirements, each student must complete three credits of intercultural and international competence (GI); a first-year seminar; and three credits of writing across the curriculum (W suffix). The writing across the curriculum requirement is satisfied for statistics majors by STAT 470W. We recommend but do not require that statistics students take the statistics first-year seminar during the fall of their first year at Penn State.

Students may petition to substitute three credits of GS, GA, or GH for three credits of another of GS, GA, or GH. This substitution is often referred to as the 3-6-9 sequence (as opposed to the 6-6-6 sequence in GS, GA, GH shown above).

For more detailed information about general education requirements at Penn State, including more detailed descriptions of GI, first-year seminar, and W requirements, see [www.psu.edu/bulletins/bluebook/gened](http://www.psu.edu/bulletins/bluebook/gened)
